FORUM ORGANIZER

Overview

The **7th Edition of the MENA Higher Education Leadership Forum (MENA-HELFF)** will be held in the vibrant city of **Dubai, United Arab Emirates, from September 28–30, 2026**. Taking place under the timely theme **“Global Challenges, Local Impact: Higher Education's Role in Shaping a Resilient Future,”** this edition comes at a defining moment for the global higher education sector.

Launched in 2013 as a biennial gathering, MENA-HELFF has grown into one of the most prominent international platforms dedicated to higher education leadership. With participation from over 60 countries in previous editions, the Forum provides a truly global and cross-regional space for dialogue, critical reflection, strategic collaboration, and the exchange of best practices. It is not just an event you attend—it is a platform you help shape.

The 2026 edition holds particular significance, as universities and higher education systems across the world confront a rapidly evolving landscape marked by technological disruption, changing learner expectations, sustainability imperatives, workforce realignment, and growing demands for relevance, inclusion, and resilience. Against this backdrop, MENA-HELFF 2026 will serve as a strategic convening space where leaders come together to collectively reimagine the role of higher education and co-develop solutions with lasting impact both locally and globally.

This global gathering is expected to welcome **250–300 higher education leaders, senior policymakers, industry partners, and international experts representing more than 50 countries**.

Over the course of three dynamic days, the Forum will feature keynote addresses by global thought leaders, engaging panel discussions, strategic debates, and fireside chats, as well as pre-forum workshops, targeted focus groups, and institutional case studies aligned with the Forum's central theme and sub-themes. In addition, participants will have access to a dedicated exhibition space showcasing cutting-edge services, tools, and technologies from selected partners that support and enhance the higher education sector. The program also offers ample networking opportunities, designed to foster meaningful dialogue, peer exchange, and long-term collaboration.

A major highlight of the Forum will be the announcement of the **winners of the 5th Cycle of the Zairi International Awards for Excellence in Higher Education**. Open to institutions worldwide, the Awards recognize outstanding institutional innovation, leadership, and impact, reinforcing the Forum's commitment to celebrating and amplifying excellence across diverse higher education systems.

Forum Objectives

Building on the insights from previous editions and in response to the rapid transformations shaping higher education, the 7th MENA Higher Education Leadership Forum aims to

1

Navigate Global Disruptions and Strengthen Institutional Agility and Resilience

Reflect on the disruptive forces impacting higher education—including climate change, digital transformation, economic volatility, shifting workforce demands, and geopolitical instability—and identify strategies to enhance institutional agility, sustainability, and resilience. Particular attention will be given to how institutions can strengthen their capacity to anticipate, adapt, and thrive amid uncertainty and disruption.

2

Redefine the Role of the Engaged University

Explore how universities can revisit their purpose to serve the common good, contribute to sustainability efforts, and foster meaningful community engagement through lifelong learning, social responsibility, and civic partnerships. The Forum will also examine how institutions can reinforce trust, social cohesion, and societal well-being in times of increasing complexity and change.

3

Align Higher Education with Future Workforce Needs

Examine the skills and competencies required in the evolving job market and discuss how HEIs can redesign curricula, enhance the student experience, and integrate skilling, reskilling, and upskilling models to support knowledge-based economies. Special emphasis will be placed on preparing graduates with the adaptability and lifelong learning capabilities required to succeed in a rapidly changing world.

4

Leverage Digital Transformation and Innovation

Investigate how HEIs can harness AI, automation, and digital tools to enhance teaching, learning, research, and institutional effectiveness, while promoting creativity, innovation, and problem-solving to address pressing socio-economic and environmental challenges. The Forum will further explore how institutions can responsibly integrate emerging technologies while preserving their human and social mission.

5

Showcase Global Practices and Institutional Transformation

Provide a platform for sharing successful case studies and innovative strategies from universities worldwide, highlighting how institutions are adapting to change and driving positive transformation across governance, pedagogy, research, and engagement. Particular attention will be given to examples demonstrating strategic agility, innovation, and sustainable institutional renewal.

6

Strengthen University-Industry-Government Collaboration

Examine how higher education institutions, industry leaders, policymakers, and other stakeholders can work together to foster strategic partnerships, drive research and innovation, and contribute to national and regional socio-economic development. The Forum will also explore new models of collaboration needed to address increasingly complex and interconnected challenges.

Why Join the 7th MENA-HELF(2026)?

A Premier Leadership Platform for Higher Education: The MENA-HELF has established itself as a leading global platform for higher education leadership in the region, bringing together university presidents, policymakers, and sector influencers from over 50 countries.

Confront Global Challenges with Locally Grounded Solutions: The 2026 Forum centers on the theme “*Global Challenges, Local Impact: Higher Education's Role in Shaping a Resilient Future*,” offering a platform for higher education leaders to explore how institutions can translate global disruptions into contextually relevant strategies that drive resilience, equity, and long-term societal impact.

Showcase and Learn from Global Best Practices: Through institutional case studies, high-level panels, and strategic roundtables, the Forum offers a rich platform to share success stories, policy insights, and transformative models from around the world.

Build Strategic Partnerships and Expand Your Network: Connect with fellow higher education leaders, quality assurance bodies, EdTech innovators, and regional and international organizations through the multiple networking opportunities the Forum provides.

Exhibit, Promote, and Position Your Institution or Services: Benefit from dedicated exhibition space to showcase your university's achievements, projects, or services to a global audience. The Forum also includes branding opportunities for partners, sponsors, and exhibitors looking to increase visibility in the MENA and global higher education landscape.

Target Audience

We invite leaders and decision makers within Higher Education from across the globe to join us, including

- Senior Administrators including Chancellors, Presidents, Rectors, Provosts, Vice Chancellors and Deans of Colleges.
- Members of governing bodies of Universities & Colleges.
- Higher Education Policy Makers.
- Representatives from Ministries of Higher Education, Accreditation Agencies, National Research Foundations, etc.
- Representatives from NGOs and IGOs concerned with Higher Education.

My deepest gratitude to Dr. Narimane Hadj Hamou, CEO of CLICKS, for having organized the 6th MENA Higher Education Leadership Forum, an event that defied an unprecedented storm in Dubai and turned out to be a great success. The forum's theme, Towards a New Generation of Engaged Universities: The Need to Act, Adapt, and Transform, touched upon the transformation that we are witnessing in the higher education sector across constructive roundtables, keynote speeches, and spontaneous dialogues. The discussions about upskilling the workforce, embracing technology, and fostering innovation were thoughtful and inspiring. The emphasis on empowering students engagement resonated deeply with my personal academic ethos.

It was my great pleasure to join the 6th MENA Higher Education Forum that has already become an efficient platform to discuss current trends and challenges of higher education. We got a chance to hear diverse perspectives of distinguished university leaders and esteemed higher education experts from different corners of the World. We discussed very important global, regional and national challenges of higher education, and we learned about the best practices to address those challenges. We did our best to contribute to the success of the Forum by presenting the perspectives of the International Association of Universities (IAU) and Mingachevir State University (Azerbaijan). Our big thanks and sincere congratulations go to all organisers, partners and sponsors of the Forum. We will be looking forward to join the next Forum in Dubai, UAE.
